vitaminiULTRA
WITH AUTONOMOUS WATER TANK 10 Lt.

Vitamini is a unique desktop juicer specially designed which requires a very small space for installation. Fruits and vegetables are being “juiced” without having to be cut or peeled off in just 7 seconds . After each use, the juicer is self washed at a simply touch of a button.

(LxWxH) 24cm x 48cm x 40cm

ELECTRIC POMEGRANATE JUICER

The juice is ready in less than 15 seconds at the touch of just one button.

No need to cut the pomegranate as it is fully pressed as a WHOLE.

Does not stain during the cold press.

“
... it shields and
guards your body
”

The electronic pomegranate juicer of **myvitaminbar** is suitable for professional as well as household use.

Dimensions: (LxWxH) 0.18m x 0.22m x 0.60m
